Chinese Wisteria	Wisteria sinensis	Full sun	Frost protection			R	P		P								Stand in tray of water July to end of summer, Likes more loam
Copper Beech	Fagus spp.	Light shade	Frost protection			R-B		P	W	W							
Cork Bark Chinese Elm	Ulmus parvifolia cortica		Frost protection			R- B	R					B					
Cottoneaster	Cottoneaster simons					R	R										
Crab Apple	Malus spp.	Full sun	Frost protection			B							P	R			
English Oak	Quercus robur	Full sun	Frost protection			R	P	P	P	P	P	P					Spray regularly for mildew
European Hornbeam	Carpus betulus	Partial shade	Frost protection			R	RP	P	P								
Grey Bark (Japanese) Elm	Zelkovia serrata	Full sun / Partial shade	Frost protection			R	R										
Hawthorn	Crataegus monogyna	Full sun	Frost protection			R			P-W	W							Branch prune after flowering
Hazel	Corylus avellana	Full sun				R		P	P	P	P	P					
Honeylocust	Gleditsia triacanthus	Full sun	Frost protection			R	P							P			
Japanese Cherry	Prunus serrulata	Full sun	Frost protection			R	R										
Japanise Larch	Larix		Frost protection			R-B	R		W	W				B- Dormant period			
Japanise Maple	Deshojo		Frost protection			R	R										
Korean Hornbeam	Carpinus Laxiflora	Partial shade	Frost protection			R-B	R					B					
Japanese Lilac	Syringa reticulata					R	R										
Maidenhair Tree	Ginko biloba	Full sun	Frost protection			R	R	P			B	B	P				
Mountain Ash / Rowan	Sorbus acuparia	Full sun				R	P	P	P	P	P	P					
Oriental Spruce	Picea spp.					R	R										
Satsuki Azalea	Rhododendron Indicum	Partial shade	Frost protection			R	R		RP	P	P						Lime hating, remove flowers when they fade
Sloe / Blackthorn	Prunus spinosa					R	R										
Small Leaved Lime	Tilia cordata	Full sun / partial shade				R	P	P	P	P	P	P					
Trident Maple	Acer Buergerianum	Partial shade	Frost protection			R	R			B	B						
White Pine	Pinus parviflora	Partial shade				R	P							W			Likes slightly acid soil
Winged Spindle	Euonymus alatus	Partial shade	Frost protection			R	P		P		P						
Winter Jasmine	Jasminium nudiflorum	Partial shade	Frost protection			R	R	P						P			Flowers on previous years wood
Mungo Pine	Pinus mugo 'Carstens Wintergold'	Full sun															
Yew	Taxis	Full sun-tolerates shade	Frost protection	W									W				
Banyan	Ficus retussa		Indoors			R	R										
Budist Pine	Podocarpus macrophyllus		Indoors			R	R	W	W	W	W						Light root prune
Chinese Elm	Ulmus parvifolia		Indoors			R	R		W-P	W-P	W-P	W-P	W-P	W-P	W-P		
Crape Myrtle	Lagerstroemia indica		Indoors			R	R	P	P	P	P	P					Prune to hardwood after flowering
Jade	Crassula arborescens		Indoors		R	B	R										
Pepper Tree	Zanthoxylum pipertum		Indoors			R	R										Min temp 50Deg, bright warm position away from drafts
Pistachio	Pistacia vera		Indoors			R	R										
Pomegranate	Punica spp.	Partial shade	Indoors			R	R			W-P	W-P	W-P	W-P	W-P	W-P		
Sagrethia	Sagrethia Theezans	Partial shade	Indoors			R	R	W-P	W-P	W-P	W-P	W-P	W-P	W-P	W-P		
Tree of a thousand stars	Serrissa foetida	Partial shade	Indoors	W	W	W	W	W	W-P	W	W	W	W	W	W		
Umbrella Tree	Schefflera actinophylla		Indoors			R	R			P	P	P	P	P	P		

Activity:

- L Leaf prune
- B Branch prune
- R Re-pot
- F Feed
- W Wire
- P Prune/Pinch

NPK:

- Nitrogen - For foliage
- Phosphorus - for roots
- Potassium - for flowers

10:5:5 strong growth
